Oldsmobile Big Block Serpentine Conversion Kit

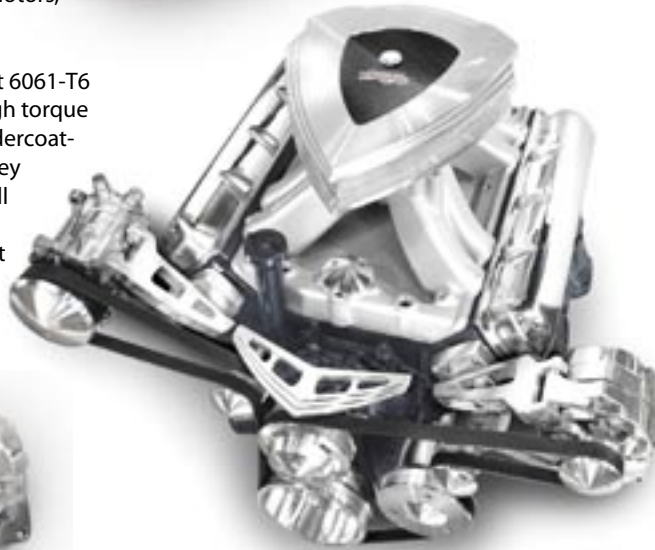

Shown with our optional Futura Billet air cleaner

Now Oldsmobile owners can get March Performance Style and Reliability.

Our Oldsmobile serpentine conversion kits for 2005 replaces the troublesome V-belt accessory drive on big block Oldsmobile motors, to eliminate belt slippage and throwing.

Precision CNC machined from solid billet 6061-T6 aluminum to fit perfectly and handle high torque and vibration. "No Polishing" clear powdercoating, for maintenance-free operation. Pulley are standard ratio as OEM to preserve full electrical charging and engine cooling. kits come with stainless steel adjustment rods for perfect belt tensioning.

Saginaw Power Steering Pump Kit.

Use your old pump and save the cost of remote power steering lines and reservoir

Application

Oldsmobile Big Block 442-455c.i. to drive Alternator, Water Pump, A/C and Power Steering or Alternator, Water Pumps and Power Steering and Alternator and Water Pump only.

Oldsmobile 455ci Serpentine Conversion

Now Oldsmobile owners can get March Performance Style and Reliability. This serpentine conversion kits replaces the troublesome V-belt accessory drive on big block Oldsmobile motors, to eliminate belt slippage and belt throwing. The Street Rod version of this kit allows rotation of the Alt. and A/C to a taller but narrower setup, (see our web site for pictures and info on this kit.) Pulley are standard ratio as OEM to preserve full electrical charging and engine cooling.

Kit comes complete with stainless steel tensioning rods and chrome moly rod ends for high performance operation. All necessary hardware included. Matching serpentine pulleys are precision CNC machined

Shown with Futura Air Cleaner
